42.	Should the Inspector General be authorized to independently initiate his or her own investigations of Alderman, in the absence of a complaint from someone outside of the Inspector General's office. 49 c.	<input checked="" type="checkbox"/>	restoring city-wide community group budget hearings several months prior to the publication of the budget, as were held under the Washington and Sawyer administrations?

Essay	
50.	<p>What measures will you vote for to reform the city pension plan and ensure its solvency?</p> <p>The city of Chicago has seen that it cannot meet its obligations by borrowing from one program to pay for another, nickel and diming its residents with fees, raising taxes or cutting service. We must look to bigger, longer-term revenue sources. Our best opportunity lies in supporting construction of the South Suburban Airport. We have lost hundreds of jobs to Indianapolis and Cincinnati, because there wasn't room at O'Hare and Midway for companies to expand. The inaugural phase of the SSA will create 15,000 direct and indirect jobs at every skill level. Many of these jobs will have a direct economic impact on South Side communities. When people work, they spend money, which generates more revenue for the city.</p>
51.	<p>What additional revenue sources, if any, would you propose?</p> <p>I would propose adding a \$2 surcharge to the hotel stay of the more than 55 million tourists who traveled to Chicago in recent years. Last, we should consider reinstating the head tax. A reasonable fee on companies with more than 100 employees isn't going to dissuade employers from doing business in Chicago.</p>
