I disagree with special interest influencing local decisionmaking. Essay:	
42.	<p>Should the Inspector General be authorized to independently initiate his or her own investigations of Alderman, in the absence of a complaint from someone outside of the Inspector General's office. Please explain your position.</p> <p>No, the Inspector General's office should not be authorized to subjectively initiate investigations. The Inspector General should initiate investigations of Alderman when there is probable cause.</p>

Tax Increment Financing (TIF) was initiated as a funding tool to subsidize investment in blighted Chicago neighborhoods. Over time, Chicagoan's have become increasing distrustful of the City's use of TIF monies.</p> <p>As Alderman, I'll convene neighborhood roundtables to make a recommendation on the future of TIFs. As an immediate stopgap measure, I favor instituting a community-lead TIF Advisory Board for each TIF district in the 20th Ward. This can allow residents to receive more detailed information on how specific TIF district funds are used and improve transparency between local government and citizens.</p> <p>The 20th Ward boundaries overlap/include six (6) TIF districts (#21, #65, #106, #121, #171, and #178) as well as Special Services Area #10-Back of the Yards. In concept, TIF allows the City to receive a portion of the tax increment generated by property taxes within a TIF district. TIF funds are intended for redevelopment and infrastructure work in the corresponding TIF district. Post 2008/2009 recession, it was an important source of funding for neighborhood improvement grants to homeowners, small business grants for exterior building repairs, capital improvements to schools and commercial/residential development.</p>

57.	<input type="checkbox"/>	<input type="checkbox"/>	Do you support the Development for All Ordinance which would eliminate "in lieu of" fees and require developers to include 30% affordable units on site? I favor creating new mixed income developments that include affordable units.
