It needs new leadership with a new vision that puts the community first! My vision is to have an office that does not just belong to the alderman but also to the community; by having more community involvement especially, when change is involved. Our ward lacks a sense of transparency from our current alderman. We have schools that lack proper funding and after school programs. We also have a community that distrust and fears our police officials. My commitment is to address transparency by having an open door policy where ward constituents feel comfortable coming to my office with daily issues they face in the community. I will establish a zoning committee of constituents from the ward to address zoning changes and affordable housing concerns. I believe in an elected school board and I am committed to allocating proper funding for our schools in the 26 ward. I am committed to
