Over the last ten years I've been a founding member of VOYCE (Voices of Youth in Chicago Education), addressing and providing solutions to Chicago's dropout crisis, an active member of the Organization of The NorthEast, currently ONE Northside, as well as an active member in my Alma Matter, Uplift Community High School, one of the only sustainable community schools in Chicago.
22.	What experience have you had which will be most helpful to you in the office you seek? I am the youngest former President of Voice of the People in Uptown, a fifty year old housing non for profit that provides and preserves affordable housing in the 46 Ward. As President it was critical that I worked with our neighbors to offer employment opportunities to residents in our Ward, after school programs to at risk youth, as well as educate our community on the importance of a mixed income community. All of these skills are critical in an ever changing community that is seeing the onset of urban gentrification. Without boots on the ground service, you're disconnected from the needs and wants of your constituents. My prior service in my community has made it an easy transition to communicate, listen and organize the needs of everyone in our Ward.

Part III: Candidate Background Information

<p>27.</p>	<p>Please concisely state (a) why you feel you should be endorsed over the other candidate(s) and (b) what goals for the office you seek are most important to you personally?</p> <p>I believe I deserve to be endorsed over the other candidates because I am the only candidate that is a born and raised product of this Ward. This community literally made me an educated & active progressive and forced me to think deeper, ask meaningful questions and act on important issues such as affordable housing, public education & social services. My campaign platform is literally my entire life; I've been educated in the Ward from pre-k to high school, received my Bachelors in Public Policy from DePaul University, I've worked in this Ward as the head youth organizer for O.N.E. (ONE Northside), and have stayed active in making sure everyone can afford to live here by becoming the youngest President of Voice of the People in Uptown. As someone who has lived in public housing, received a public education and utilized crucial social services I represent a wide array of neighbors who feel like their voices are being muted. I believe I will become the first Moorish American woman to win the Aldermanic candidacy to invest in the community that invested in me.</p> <p>The goals for my office include building 10%-30% more affordable housing units, create a pathway from pre-k to post secondary education for students to go to school directly in our Ward, enforce a rent control to stop displacement of longtime residents, create economic development that will employ local residents, as well as use TIF funding correctly and effectively to encourage outside development to invest in our Ward.</p>
<p>28.</p>	<p>What is your campaign budget and (b) how much have you raised to date?</p> <p>Our campaign budget is \$30,000, so far we've reached \$5500.</p>
<p>29.</p>	<p>How many paid staffers and (b) how many volunteers do you have on your campaign?</p> <p>All of our staff is volunteer based and we have roughly 40-50.</p>

Essay	
86.	<p>Please discuss 911 service in your ward: are there inequities, is response time adequate. If so, how the service be improved.</p> <p>In the 46 Ward we've been plagued by gun violence that is rarely addressed. The response time by first responders is great but the police tend to arrive late to many active scenes, making it easier for criminals to get away. I believe this can be solved by having stationed police officers in high crime targeted areas around our Ward. This is not only a deterrent to crime but it also places our police officers within close proximity to respond faster to crimes.</p>

Aldermanic Priorities

Essay	
90.	<p>What are your top priorities for the Ward?</p> <p>My top priorities for the 46 Ward are preserving and expanding affordable housing, strengthening our local public schools, creating meaningful job opportunities for residents, and funding for our much needed social services.</p>
91.	<p>What is your long-range plan for development of the ward?</p> <p>My long range plan for the 46 Ward includes mixed use zoning that will include commercial space as well as housing, much like the Wilson Yard TIF. It also includes implenting a rent control so that our neighborhood stays culturaley & economically diverse.</p>
92.	<p>How will you involve ward residents in planning?</p> <p>I believe it starts with making them informed, many of the decisions being made within our ward are being made by a very small selective group. Our neighbors have the right and responsibility to be apart of all changes happening in our Ward. I would like to put together a roundtable of local services, businesses, residents and owners that would be my sounding board when major decisions needed to be made. I believe that the democratic process of involving the entire community is critical but also appreciated by all community members.</p>
93.	<p>How will you work with community groups and residents on City matters?</p>
